Sub - Student's course fee

Respected Sir,

I like to inform you that, the subject stated above student's fees we very much liable to take a low fees as our Institution is situated in a tribal dominated and complete rural area. Under this circumstances we are taking from students only Rs-90,000/- (Rupees Ninety Thousand) as course fee in 2 years of B.Ed. course.

Thanking you.

Yours faithfully

Haladhar Mahato
